## Letter to parent of children in Class 4

11<sup>th</sup> March 2016

Dear Parents

### Hands On Science at Sywell Primary School – 17<sup>th</sup> March 2016

The children will be participating in Hands on Science at Sywell Primary School on Thursday 17<sup>th</sup> March during the morning. On that morning you will need to drop your children at Sywell Primary School at 8.50am. If your child is attending breakfast club on Thursday, a member of staff will transport your child to Sywell Primary. The children will walk back to Overstone when the session finishes at 10am.

While they are there they will be taking part in lots of exciting experiences. This will include them tasting Tic tacs, Lipton ice tea and ice cream. Please let us know of any allergies by completing and return the form below.

Yours sincerely,

Miss Dee Dawson  
Class 4 Teacher
