Reception (EYFS)

	Autumn Term 1	Winter Term 2	Spring Term 3	Spring Term 4	Summer Term 5	Summer Term 6			
Topic	Marvellous Me!	Out and about	The deep blue and pesky pirates	Farm to fork.	The porridge thief	The Big Clean Up!			
	Me and My Relationships	Valuing Difference and Anti-bullying week	Being My Best Including oral health	Growing and Changing	Keeping Myself Safe and Protective Behaviours. Including Sun Safety	Rights and Responsibilities			
ment	I can recognise and be sensitive to the differences of others. I can name people who help me and describe ways to help others. I can talk about feelings and what can cause them. I can tell you which trusted adults I can ask for help. I can help a friend if they are sad or worried.	I can celebrate our differences. I can talk about my family life. I can listen and be polite to what others tell me about their lives. I can be kind, caring and helpful to others. I can show good listening.	I can keep trying if the way I choose doesn't work. I can talk about the different types of feelings we have. I can have a go at something new. I can make my own healthy food choices. I can make healthy sleep and exercise choices.	I can describe the life cycle of an animal. I can describe how a baby grows to an adult and what they might need. I can tell you some things about how babies are made. I can tell you the scientific names for my body parts. I can tell you the PANTS rule.	I can tell you what my body needs to stay healthy. I can make safe decisions around medicines and things I don't know. I can name some things that can be dangerous inside and outside. I can tell you what is safe to play online and who to talk to if I feel worried. I can name the adults who keep me safe and when I might need their help.	I can help my family. I can help to clean and tidy my home and classroom. I can tell you some ways to look after our world. I can be kind to friends and others. I can talk about looking after money.			
Emotional Development	Managing Online Information Assembly: Online Reputation	Privacy and Security Assembly: Online Reputation	Online Bullying Assembly: SAFER INTERNET DAY	Health, Well-Being and Lifestyle Assembly: Copyright and Ownership	Self-Image and Identity Assembly: Copyright and Ownership	Online Relationships Assembly: Keeping Safe Online during the Holiday			
Personal, Social and Emot	I can talk about how to use the internet as a way of finding information online. I can identify devices I could use to access information on the internet.	 I can identify some simple examples of my personal information (e.g. name, address, birthday, age, location). I can describe who would be trustworthy to share this information with; I can explain why they are trusted. I can identify ways that I can put information on the internet. 	I can describe ways that some people can be unkind online. I can offer examples of how this can make others feel.	I can identify rules that help keep us safe and healthy in and beyond the home when using technology. I can give some simple examples of these rules.	I can recognise, online or offline that anyone can say 'no' / 'please stop' / 'I'll tell' / 'I'll ask' to somebody who makes them feel sad, uncomfortable, embarrassed or upset. I know that work I create belongs to me. I can name my work so that others know it belongs to me.	I can recognise some ways in which the internet can be used to communicate. I can give examples of how I (might) use technology to communicate with people I know.

Winter Term 2

- Using sentences, joined up with words like 'because', 'or', 'and'? For example: "I like ice cream because it makes my tongue shiver".
- Using future and past tense: "I am going to the park" and "I went to the shop"? Can the child answer simple 'why' questions?
- Develop pronunciation but may have problems saying: some sounds: r, j, th, ch, and sh multi-syllabic words such as 'pterodactyl', 'planetarium' or 'hippopotamus'.
- Describe events in some detail.
- Develop social phrases.
- Engage in story times.
- Understand how to listen carefully and why listening is important.
- Listen carefully to rhymes and songs, paying attention to how they sound.
- Learn rhymes, poems and songs.
- Learn new vocabulary. Use new vocabulary through the day.
- · Ask questions to find out more and to check they understand what has been said to them.
- Articulate their ideas and thoughts in well-formed sentences.
- Connect one idea or action to another using a range of connectives.
- Use talk to help work out problems and organise thinking and activities, and to explain how things work and why they might happen.
- Listen to and talk about stories to build familiarity and understanding.
- Retell the story, once they have developed a deep familiarity with the text, some as exact repetition and some in their own words.
- Use new vocabulary in different contexts.
- Engage in non-fiction books.
- · Listen to and talk about selected non-fiction to develop a deep familiarity with new knowledge and vocabulary.

Reception (EYFS)

	Autumn Term 1	Winter Term 2	Spring Term 3	Spring Term 4	Summer Term 5	Summer Term 6
			IND	OOR		
	Me and Myself	Ball Skills	Throwing and Catching	Gymnastics (Yr 1 planning)	Dance	Throwing and Catching
Physical Development	Ability to dress themselves with support if necessary. Moves freely and with pleasure and confidence in a range of skilful ways. Engages in conversation with others. Runs skilfully and negotiates spaces successfully, adjusting speed or direction to avoid obstacles. Ability to link sounds to letters, naming and sounding the letters of the alphabet.	Shows understanding of the need for safety when tackling new challenges and considers and manages some risks when using equipment. Can play in a group, extending and elaborating play ideas within the group. Begins to accept the needs of others and can take turns and share, sometimes with the support of others. Shows increasing control when throwing and catching a large ball.	Showing increased control when catching a ball. Shows increasing control over an object, pushing, pasting, throwing, catching, or kicking it. Moves freely and with pleasure and confidence in a range of skilful ways. Able to respond to simple instructions, showing a good understanding of safety when using tools and equipment.	I know that fundamental movement skills, such as travelling, balancing, and moving smoothly from one position to another are important gymnastics basics. I know that agility, balance, and coordination need developing to improve gymnastics skills. I know when to link movement phases with beginning, middle and ends. I know how to perform basic gymnastic actions, including travelling, rolling, jumping, and staying still. I know how to combine different ways of travelling exploring a range of movements and shapes. I know how to perform movement phrases using a range of different body parts/actions. I know how to perform fundamental movement skills on the floor and apparatus. I know how to, moving safely using changes of speed, level, and direction. I know how to form simple sequences of different actions, using the floor and a variety of apparatus.	Explore and copy basic body actions and rhythms. Negotiate space confidently, using appropriate strategies. Use their bodies to respond to stories, topics, and music. Watch and talk about dance and performance art, expressing their feelings and responses.	Showing increased control when catching a ball. Shows increasing control over an object, pushing, pasting, throwing, catching, or kicking it. Moves freely and with pleasure and confidence in a range of skilful ways. Able to respond to simple instructions, showing a good understanding of safety when using tools and equipment.

				regular exercise.			

- Progress towards a more fluent style of moving, with developing control and grace.
- Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor.
- Develop the overall body strength, co-ordination, balance and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance and gymnastics.
- Combine different movements with ease and fluency.
- · Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group.
- Develop overall body-strength, balance, co-ordination and agility. Further develop and refine a range of ball skills including: throwing, catching, kicking, passing, batting, and aiming.
- Develop confidence, competence, precision and accuracy when engaging in activities that involve a ball.

Handwriting - Kinetic letters and fine motor activities.

Use one-handed tools and equipment. Use a comfortable grip with good control when holding pens and pencils. Show a preference for a dominant hand. Develop their small motor skills so that they can use a range of tools competently, safely and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors, knives, forks and spoons. Develop the foundations of a handwriting style which is fast, accurate and efficient.

Reception (EYFS)

	1 more o	nd 1 less	Making pairs and odds and	More/less/same		
			evens	Number pairs/bonds to 10		
Mathematics	Develop fast recognition of up to 3 objects, without having to count them individually ('subitising'). Recite numbers past 5. Say one number for each item in order: 1,2,3,4,5. Know that the last number reached when counting a small set of objects tells you how many there are in total ('cardinal principle'). Show 'finger numbers' up to 5. Link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5. Experiment with their own symbols and marks as well as numerals. Solve real world mathematical problems with numbers up to 5. Subitise. Understand the 'one more than/one less than' relationship between		Practical understanding of 'nothing there' or 'all gone'. Compare quantities using language: 'more than', 'fewer than'. Explore the composition of numbers 6 to 8. Count objects, actions and sounds. Link the number symbol (numeral) with its cardinal number value. Subitise. Begin to understand a pair is 2.	Compare numbers. Explore the composition of numbers 9 to 10. Compare quantities using language: 'more than', 'fewer than'. Automatically recall number bonds for numbers 0-5 and some to 10.	Count beyond ten. Build and identify numbers to 20 using a range of resources. The quantity of a group can be changed by adding more. The quantity of a group can be changed by taking items away. Double means 'twice as many'.	Shared equally means that everyone has the same. Some quantities will share equally into 2 groups and some won't. Some quantities can be grouped into pairs and some will have one left over. Consolidate key skills: subitising, counting on and back within 10, counting accurately, sorting, matching and comparing and ordering.
